RE:APPLICATION-SEASONAL PROGRAM-HOSPITALITY-SPA THERAPIST/FRONT LINE OFFICE

With great interest, I am lodging an application for the **Seasonal Program - Hospitality Industry as a SPA Therapist** either in New Zealand or Australia and hoping my application will be suitable for an opportunity.

I introduce myself as Ms Yvonne Namel, a Vanuatu lass and originate from mix parentage (Shefa/Tafea Province). I am an experienced SPA Therapist being in the field over a decade.

I have attached my detailed Curriculum Vitae for your perusal. It described my competency, skills and experience in the hospitality sector. My major indent for this application is Frontline SPA therapist.

Over the years working in various employment, I recouped the wealth of knowledge in the customer services and other specialized attributed skills that can benefit any individual.

I am a people person, very easy to communicate and connect in no time to interact which comes softly.

I am also experienced in dealing with most any issue associated with making Spa purchases that include shortages, defects and receiving the wrong merchandise. I know when to place orders to ensure any employer has the goods it needs to maintain continuous operations, keeping records of all purchases/sales and accounting enquiry on discrepancies made and compiling reports for the financial officer and other management professionals to view.

There as, I can be contact by cell phone number +678 7761919 or email via Ms Pamela Namel (my sibling) pamelanamel05@gmail.com and obviously looking forward to meeting with you soon to discuss my credentials and the details of expressed interest.

Yours sincerely,

Yvonne Namel (Ms)

To Whom It May Concern:

This reference relates to Miss Yvonne Namel.

I have been teaching Yvonne for the past two years, in the specialised area of Customer Service. This course was conducted over a period of two years in a bilingual French/English class, which aimed to teach the students the basic skills involved in serving customers and looking after products.

During this two year period, I have found Yvonne to be very hard working. She has always produced very good quality work, whether it be theory or practical, and has many times done research in her own spare time.

Her course also provided a total of six weeks of work experience which she undertook at Vila Distribution, Cercle Sportif and Vila Garden Centre. All employers were quite pleased with her work.

Yvonne is a motivated, hard working and well presented young lady whom I have no doubt will succeed in the workforce or in any other studies that she may choose to undertake.

I would recommend anyone considering making Yvonne a member of their team to do so.

I would be pleased to provide any further information if needed.

Yours sincerely,

RECOMMENDATION LETTER

To whom it may Concern:

Yvonne Namel worked under my supervision as a Spa Attendant from 20 June 2012 and promoted as a Spa Supervisor on the 18 December 2013 at the Warwick Le Lagon Resort and Spa for the last 7 Months. Her Main responsibilities included taking bookings, handling enquires, waxing ,massages, facials ,pedicures, manicures and also supervising the team.

I just want to highlight that most of our Hotel guest enjoy having Spa treatments with Yvonne and keep coming for her to do their treatments. She was simple to deal with and very flexible and make sure that every guest coming to the Oasis Spa is Happy.

As a Spa Supervisor, Yvonne is very talented and she is simply astonishing! Also ,I would advise her, like a lighthearted person with sense of humor and special connection with guests. Additionally she is polite and trustworthy.

I would highly recommend Yvonne to anyone who needs a Spa Therapist or Spa Supervisor at their Beauty Spa/ or Salon.

This to confirm that Yvonne Namel had been doing her work experience in our Second Hand Shop.

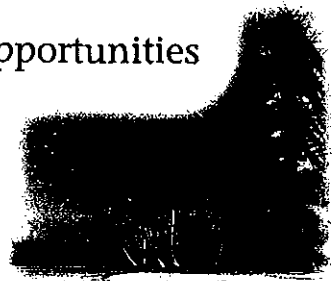

She is an individual who can be trusted when assigned to responsibilities. Faithfulness to her work is not a question with her. She always displays very good skills of assertiveness and talent in working with people, as well as a good role model. I am able to make these comments due to my observations and interactions with her. Yvonne had been working a lot in our cashier.
