TO WHOM IT MAY CONCERN

I have known **Sandra Garae** as student in my capacity as a teacher and an administrator for the last 2 years she attended Epauto Adventist Senior Secondary School.

During these years at the above institution, **Sandra** has performed well in her class work. She was considered to be a very responsible, reliable and a faithful student. She cooperated well with the students as well as teachers on campus. **Sandra** was faithful and honest when given tasks to complete, she is always willing to accept advice and ready to learn. She also possesses the skills of leadership where others could learn from her.

Therefore with these outstanding qualities, I have no hesitation to strongly recommend her for any institution that she may wish to apply, to further her education. In addition if there be any queries regarding the above personal, please do not hesitate to contact myself on the above address or mobile# (678) 7743851 or email: maxphilemon7@gmail.com.

Yours Sincerely

Max Philemon
