Dear Sir/Madam,

Re: Expression of Interest for Employment

I refer to the above-subject matter.

My name is Rossie Betty Houlu Mahit and I am 47 years of age and a single mother residing at Erakor Bridge, Port Vila. I have been unemployed ever since the last COVID-19 Lockdown. Prior to the lockdown, I used to look after an elderly couple and I used to do house cleaning for the couple. I am now unemployed and currently in search for employment so I can financial assist my family.

I am happy to be interviewed any time for employment opportunities.

I look forward to your confirmation.

Thank you.
